About Japan Investment Corporation (JIC)

Japan Investment Corporation (“JIC”) was established in September 2018 under the Industrial Competitiveness Enhancement Act. JIC’s investment focus areas are creating a virtuous cycle of domestic investment and innovation; creating and fostering startups; leveraging promising untapped management resources lying dormant in local areas, including startups from academia and medium-sized companies; and promoting business restructuring in response to changes in market and business environments. JIC provides risk capital to these areas through funds independently established by JIC and LP investment in private funds to promote open innovation in Japan, strengthen the competitiveness of Japanese industries, and contribute to expansion of Japan’s investment ecosystem.
